

American Yacht Club in Rye, New York seeks an Executive Chef to serve as the most highly skilled member of the culinary team and is ultimately responsible for all activities in the kitchen. The successful candidate must be versatile, possess a sincere “love for the kitchen” and have a dedicated desire to please the membership. In addition to being a talented craftsman able to create and produce quality food products, the Chef must be a capable administrator. He / She must know how to control costs, meet deadlines, practice proper sanitation, relate well to the club’s membership, and provide leadership for the culinary staff.

American Yacht Club was founded in 1883. It is a membership owned private club located on the L.I. Sound shore. AYC is a family oriented club with a diverse group of members. There are ~ 900 members in varying categories with the average age of 49.
